South-West View

FEATURED AMENITIES

Beautiful Elevation

Double Height Entrance Lobby

Hi-Tech Security System

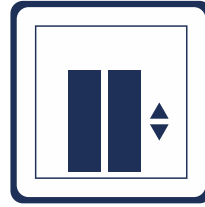

Rain Water Harvesting

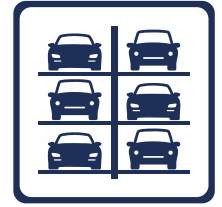

Eco-Friendly Layouts

Vastu Compliant

Two Elevators

Sufficient Parking

Buildarch Sakura is aptly located in a bye-lane of a quiet neighbourhood in Dadar (West), away from the noise of passing cars and crowded places. Buildarch Sakura is Vastu Compliant and is carefully planned in a manner to embrace maximum daylight and cross ventilation. The quality of material used is of the highest standards keeping in mind the latest innovations in construction business which helps us in reducing our carbon footprint for the future. We have kept in mind the little details like illuminating the common areas, rain water harvesting for self sustainability from water woes, state of the art passenger elevators and car lifts which adhere to the latest industry safety norms, trending house fittings and contemporarily planned spacious houses.
